

# UPMC East Site Tour

**Friday, February 10, 2012**  
**2:30 PM Arrival ♦ 3:00 PM Tour**  
**No cost to attend this tour!**

UPMC is nearing completion of its newest healthcare facility in Monroeville, PA, called UPMC East. Scheduled to open in Summer 2012, this LEED® designed, state-of-the-art healthcare facility utilized 100% of the former building located on that site. The new facility is designed for energy reduction thru maximized solar efficiencies and includes \$2.2 million in storm water management improvements on site.

Located at the corner of Routes 22/48 near the Monroeville Turnpike Interchange, the facility will offer 156 all-private patient rooms, 7 operating rooms, 22 ED bays and a 460-space parking garage.

Guests for this Site Tour will assemble in the Shared Parking Area and walk into the building via Gate C and then thru the ED

Please bring your hard hats, safety glasses and safety vest Hard sole shoes are recommended. Please, no shorts, skirts or heels! There is no cost to attend this tour, but space is limited.
