## **IBC 2011 Call for Awards**

Nominations are now being accepted for the 28<sup>th</sup> Annual International Bridge Conference® Awards. These five Awards will be presented on Monday, June 6<sup>th</sup>, 2011 during the International Bridge Conference®.

### **Medals**

Projects may be eligible for more than one Medal – select which Medals you believe fit the project on the entry form.

### **Project Medals**

Award winners must be “recent” projects. For all Project Medals, recent is defined as within two years of the Awards ceremony. For example, for the 2011 Award, projects must have been completed between June 2009 and June 2011.

#### **George S. Richardson Medal**

For a **single, recent, outstanding achievement in bridge engineering**. Fields of endeavor may include design, construction, research or education.

#### **Gustav Lindenthal Medal**

For a single, recent outstanding achievement in bridge engineering demonstrating, as appropriate, technical and material innovation, **aesthetic merit**, harmony with the **environment** or successful community participation.

#### **Eugene C. Figg Medal**

For a single, recent outstanding achievement in bridge engineering that, through vision and innovation, provides an **icon to the community** for which it was designed.

#### **Arthur G. Hayden Medal**

For a single recent outstanding achievement in bridge engineering demonstrating innovation in **special use bridges** such as pedestrian, people-mover, or non-traditional structures.

### **Individual Medal**

#### **John A. Roebling Medal**

To be awarded to an individual for **lifetime achievement** in bridge engineering. Major achievements may include design, construction, research or educational endeavors.

Hardcopy entries must be postmarked on or before January 15<sup>th</sup> 2011 and sent to:

International Bridge Conference® Awards Committee  
c/o Engineers' Society of Western PA
